# Becoming a Code Share Partner

- Our approach to securing code-share partners is to ensure we provide a safe, strong and competitive product and partner with airlines with an equal commitment to safety and quality.

# Ongoing Audits

- Internal Evaluation Program
- IATA/IOSA
- DOD
- Code-share partner reciprocal audits and safety information sharing
  - Delta Connection Safety Alliance
  - United Express Safety Leadership Team

# Daily Operations

- Weather cancellations managed by Operations Control Center in tandem with code-share partners' OCC
- Maintenance cancellations managed by SkyWest
- Contract capacity restrictions managed by partner carrier; pro-rate restrictions managed by SkyWest
- Cancellation response and recovery managed in partnership with code-share partners
